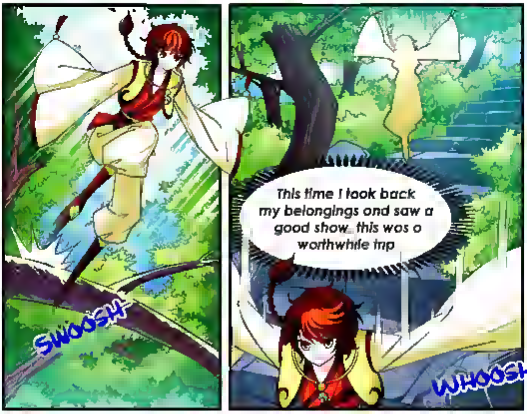
Forbidden Deep Chamber
SWING
!
Oh no! Su WeiLi escaped!
He couldn't have gone far, search carefully!
The gate is already locked, he must be hiding somewhere near!



SWOOSH
This time I took back my belongings and saw a good show. this was a worthwhile trip
WHOOSH

Train for another century if you want to catch me!

FIXED

What's happenning?
I didn't sense any presence, so why am I stuck?

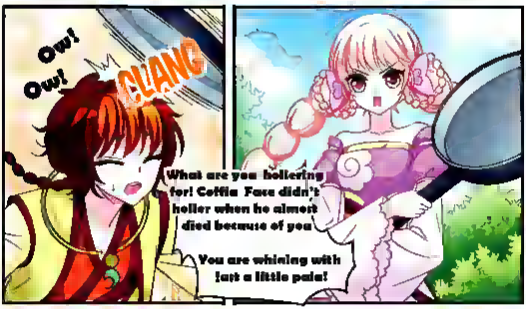
Don't tell me there's a Primordial Infant Stage expert?
This is bad!

You are finally in my hands

I knew you would escape seeing that you obediently let them arrest you
RUSTLE
I've wait for a long time, Su Weil!
It's you, little girl!
You have tricked me for two times, how should I deal with this bill?

You didn't expect it right, that there's a day where the evil-minded you will be trapped! This is called --
"Karma!*"
This precious Fixed Card could be used towards people lower than Rank 30
THIS WILL AID MY REVENGE, WORTH IT!
* "Good has its rewards, bad has its recompense, the payback is just a matter of time!"
So you little girl still have secrets,
how about releasing me, I will help you keep this secret.
Do you think I am a kid? Too bad you wasted your time!
DET
DET
What are you going to do to me?!
DRAG

This posture is so ugly!
We can have a talk
LuoBo, come out!
Aye!
TRANSFORM!
I have always wanted to do this!
HEY HEY, LET'S HAVE A TALK! I WILL DIE!

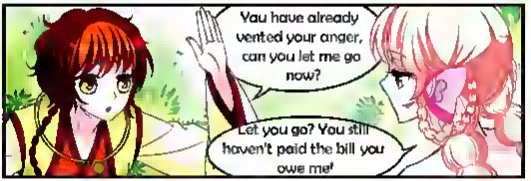


Ow!
Ow!
CLANG
What are you hollering for! Coffin Face didn't holler when he almost died because of you
You are whining with just a little pain!

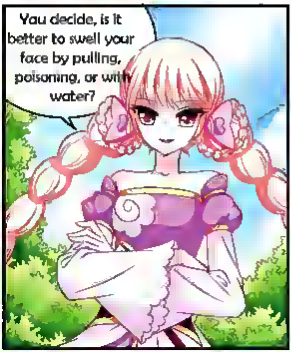
So you are taking revenge on behalf of ShiXiong, but I am not the one that injured him.
also, does ShiXiong know that you are this violent?

TN: There's a Chinese dish called Pai Huang Gua 拍黃瓜, where you beat the cucumber with a knife and then you mix it with soy sauce, garlic, etc. and eat it. (The mixture can differ.) Because you need to beat the cucumber first before cutting it, people would use it as an analogy towards people that needs beating.

DO YOU BELIEVE I WILL MAKE YOU UNABLE TO TALK AGAIN?
YES

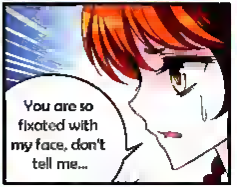


You have already vented your anger, can you let me go now?
Let you go? You still haven't paid the bill you owe me!

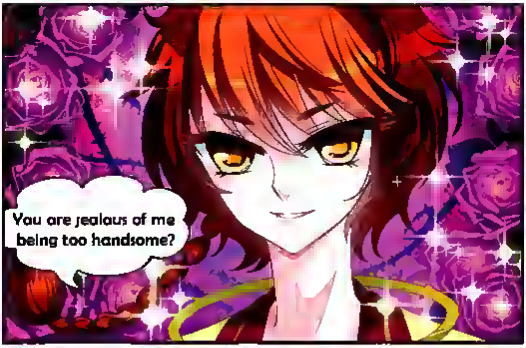


You decide, is it better to swell your face by pulling, poisoning, or with water?

It's all swelling, what differences are there is there other options?

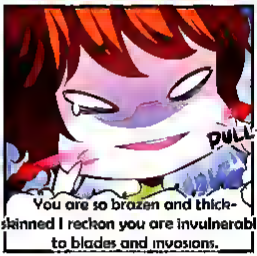


You are so fixated with my face, don't tell me...

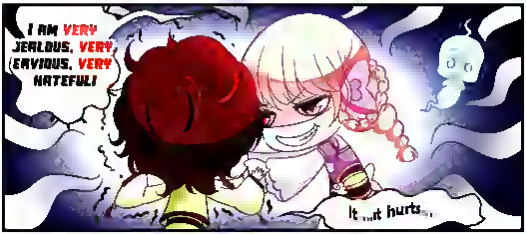


You are jealous of me being too handsome?

Yep, I am very jealous.
CRAM-

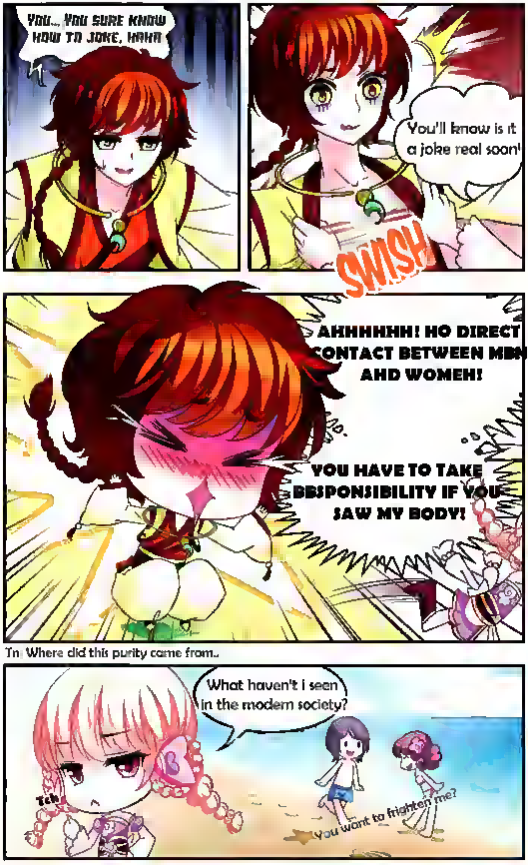


DULL-
You are so brazen and thick-skinned I reckon you are invulnerable to blades and invasions.



I AM VERY JEALOUS, VERY ENVIOUS, VERY HATEFUL!
It ...it hurts...

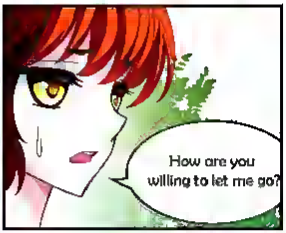
Lets do this!
Since you like to watch shows, let's have you become an actor as well!
PERFECT PERFORMANCE
Strip off your clothes, and leave you at a street bustled with people
WHAAAAAAT???!!!



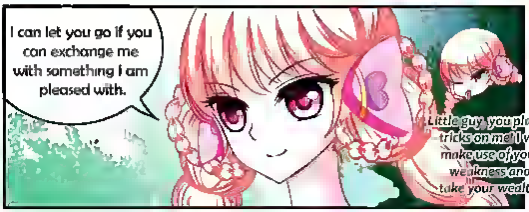
You... You sure know how to joke, haha
You'll know is it a joke real soon!
SWISH
AHHHHHH! NO DIRECT CONTACT BETWEEN MEN AND WOMEN!
YOU HAVE TO TAKE RESPONSIBILITY IF YOU SAW MY BODY!
Tn: Where did this purity come from..
What haven't I seen in the modern society?
Tch
You want to frighten me?

Alright, how about I take responsibility by taking you as my SLAVE?

This little girl is extremely hard to deal with. If she really did that I can't be so shameful!



How are you willing to let me go?



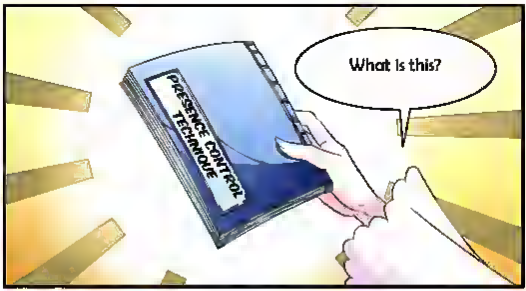
I can let you go if you can exchange me with something I am pleased with.
Little guy, you played tricks on me! I will make use of your weakness and take your wealth

You can choose anything from my Storage Bag, as a compensation.

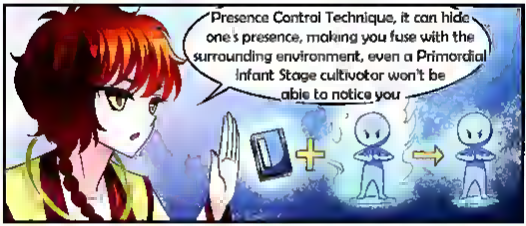
These are all high-quality goods, are you pleased?
Everything is in disorder, it doesn't seems good.

You might as well give me all these things with the Storage Bag!

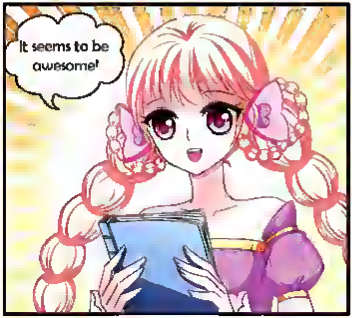
You greedy girl, all these things have my prohibition on it, you won't be able to use them
Who said I must use it, I am happy seeing you dejected.
If you want to be missed by me then take the bag, even if I were to be caught, I can just escape again
True, being involved with him would be troublesome
Fine, then I'll take one. But you have to explain to me what functions it has, you must not lie to me.
Yes yes, my lady!



PRESENCE CONTROL TECHNIQUE
What is this?

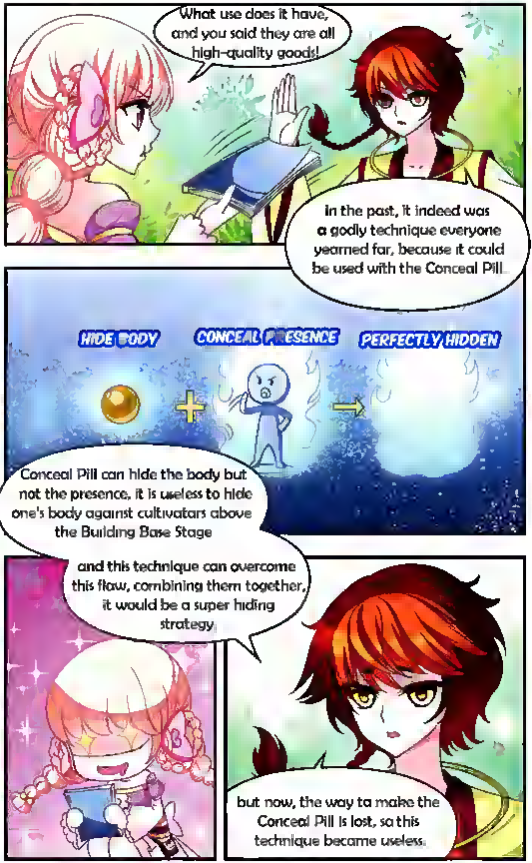


Presence Control Technique, it can hide one's presence, making you fuse with the surrounding environment, even a Primordial Infant Stage cultivator won't be able to notice you



It seems to be awesome!

Don't be happy too soon, it can only hide the presence and not the body
Urgee...

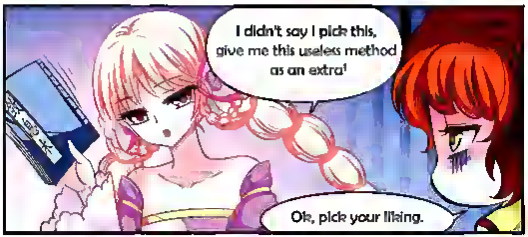


What use does it have, and you said they are all high-quality goods!
In the past, it indeed was a godly technique everyone yearned for, because it could be used with the Conceal Pill.
HIDE BODY
CONCEAL PRESENCE
PERFECTLY HIDDEN
Conceal Pill can hide the body but not the presence. It is useless to hide one's body against cultivators above the Building Base Stage
and this technique can overcome this flaw, combining them together, it would be a super hiding strategy.
but now, the way to make the Conceal Pill is lost, so this technique became useless.

I AM TOO LUCKY!
I HAVE THE RECIPE TO MAKE CONCEAL PILL, I CAN CONCOCT PILLS WHEN I REACH RANK 20. AT THAT TIME, BE IT STEALING TREASURES OR SNS KNOCKING, IT WOULD BE TOO EASY!

I'll take this!
Keeping a straight face

Have you thought it over? I'm not lying, this really is useless

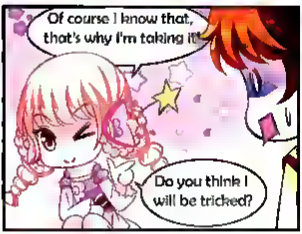


I didn't say I pick this, give me this useless method as an extra!
Ok, pick your liking.

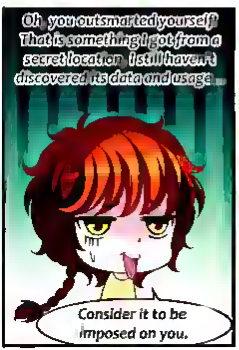
What is the most important to him? I must take that away, and anger that evil-minded!
Normally in this situation, if it's a treasure, people would pretend deliberately that they don't care, so others won't take it.
If it's not important, they will pretend to be anxious, tricking others into believing it is a treasure.
STARTLE
TOUCH
But he is crafty and cunning, so he must be doing the opposite.
You acted!

Negative with negative equals positive, that means if he cares then it is a treasure!
HOLDS
Then I'll have this

That...that is my treasure...



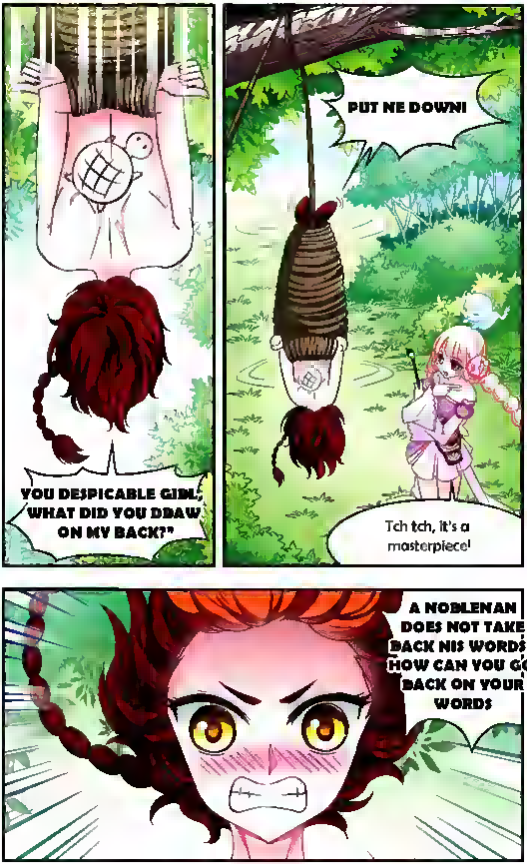
Of course I know that, that's why I'm taking it.
Do you think I will be tricked?



Oh, you outsmarted yourself! That is something I got from a secret location. I still haven't discovered its data and usage...
Consider it to be imposed on you.

My lady, can you let me go now?
And let you take revenge on me? I am not that stupid!

FLAP
FLAP
This smooth and round line, this trenchant creativity, it really is an incomparable world!
This.....



YOU DESPICABLE GIRL, WHAT DID YOU DRAW ON MY BACK?"
PUT ME DOWN!
Tch tch, it's a masterpiece!
A NOBLEMAN DOES NOT TAKE BACK HIS WORDS, HOW CAN YOU GO BACK ON YOUR WORDS

I am a little girl not a nobleman, and not a Holy Mother, anyone that slaps me on my left cheek, I will turn my right cheek to them.*
Yea yea!
